

Getting to Pellys Transport & Regulatory Law

By Car

From the M11, take the A120 west at junction 8. Go straight over the first roundabout and at the second roundabout take the 3rd exit, the B1383 towards Newport. Follow the road into Stansted Mountfitchet. At the top of the hill take the turning on the right towards Elsenham. Follow the road to the bottom of the hill where there is a zebra crossing. Take the next turning on the right after the zebra crossing. This is Station Road. No 4 The Exchange is next to the railway station on the left hand side.
